

# FIRST CALL FOR ABSTRACTS

## Acoustic Emission Working Group

### AEWG-54 Meeting

**Meeting Date:** May 21 – 22, 2012

**Location:** Princeton, New Jersey

**AEWG Meeting Purpose:** To provide an opportunity for Acoustic Emission (AE) users, researchers, equipment and service suppliers, and interested parties to meet and present work in the field of AE in an informal setting.

### Abstract Preparation Details:

- Abstract topics including AE research, development, and applications, standards development and sensors/calibration work are all welcome.
- Email abstracts to: [mark.carlos@mistrasgroup.com](mailto:mark.carlos@mistrasgroup.com)
- Include the following information with your AEWG Abstract:
  - Author's name, complete address including telephone and email address of the contact author, and affiliation(s) of authors.
  - Text: (in Microsoft Word), 100 – 250 words, all information is to be on one page.
  - Keyword List, up to five please.
  - Send in submissions early, starting now.
  - Firm deadline for abstract submission, March 1, 2012.
  - Contact author will be notified of acceptance by March 22, 2012.

**Conference Host:** Mark Carlos      [mark.carlos@mistrasgroup.com](mailto:mark.carlos@mistrasgroup.com)  
Telephone: 609-716-4030
